

INOVYS EVO

Tilting Wheelchair

MAXIMIZED COMFORT & SUPPORT

The design of Inovys Evo has been carefully thought out to suit individual needs and provides excellent pressure relieving qualities.

Many years of experience results in this versatile, multi-adjustable, and comfortable wheelchair, all complimented with a refreshed design. The tool-free adjustments allow for changes to provide comfort for both the user and the caregiver.

TILT IN SPACE

-For pressure relief & postural stability

BACKREST RECLINE

-To accommodate various hip angles & provide extra support

LEGREST ELEVATION

-For relief of swollen legs & feet

DESIGNED WITH CARE

The Inovys Evo offers excellent comfort with its moulded adjustable seat and backrest cushions. Other cushion shapes and configurations are also available to meet individual needs.
