

ASTRO DINTON

The Astro Dinton is an ideal chair for Nursing/Care home and Loan Stores as it is multiple user friendly due to it's advanced level of adjustability. We deem it as the best value-for-money Specialist Chair that meets most needs.

MADE IN BRITAIN

The Astro Dinton delivers incredible comfort with enhanced functionality, whilst offering a large range of support adjustments. It comes as a manual, motorised or part-motorised functioning chair with tilt-in-space, legrest elevation, and back angle recline.
